

TouchSensor.hpp

```
graph TD; A[TouchSensor.hpp] --> B[iostream]; A --> C[mbed.h]
```

The diagram illustrates the dependencies of the TouchSensor.hpp file. It is represented as a gray rectangular box at the top. Two blue arrows originate from the bottom edge of this box, pointing downwards and outwards to two separate white rectangular boxes. The left box contains the text 'iostream' and the right box contains the text 'mbed.h'. This visualizes the preprocessor directives at the top of TouchSensor.hpp: #include <iostream> and #include <mbed.h>.
